

elastOS

The New SmartWeb

The flagship mobile application from Elastos. An integrated wallet and identity all in a secure sandbox environment.

Develop your own applications within elastOS and make use of the new Internet of value.

THE NEW DAO FOR THE ELASTOS ECOSYSTEM

Cyber Republic

The Cyber Republic Decentralized Autonomous Organisation (DAO) uses on-chain native smart contracts to autonomously fund public proposals that anyone can submit.

16 MILLION TOKENS

All proposals are voted in a transparent, on-chain, decentralized manner.
